Directions to Nature Coast Biological Station and Seahorse U!

- Please be on time. If you are running more then 10 minutes late, notify Kate Hellgren @ (618) 559-8104.

- Directions from points east – Take SR 24 west until route 24 ends in the City of Cedar Key (~1 hr 15 min from Gainesville, ~25 min from Highway 19 at Otter Creek).

- At the end of SR 24, the Nature Coast Biological Station is immediately in front of you (552 1st Street).

- Please examine the map below to orient yourself on possible parking spots and meet-up points. Meet-up points are determined in advance for each group based on activities and tides.

- Observe the city parking ordinances and signs. Cars and busses should not linger near City Dock as it is a working dock with boats entering and leaving the water regularly.
